Music Maths and Metre

Hi there! Time for some 'music maths'. Can you add up these notes?

Please add in the missing b us, they keep char

For the printable version click the blue "Get" button

rying to trick par!

the double bar line at the cend of each song!

I don't know who it was, but SOMEONE forgot to finish their rhythms!

Using at least one ti-tika and one tika-ti per line, please complete the bars using these notes and rests:
