Game:

- Children join hands in a circle, with one child in the centre as "Sally" covering his or her eyes with two hands.
- The circle moves around as they sing the song.
- The child in the centre imitates the actions indicated by the words, pointing to another child at the end of the song, still covering the eyes with one hand so that the choice is accidental.
- The chosen child becomes "Sally", goes to the center, and the game starts again.
