Source: Music in Preschool; Clayfield School of Music

Suggested Actions:

'A wise old owl': Hold right hand upright - like an owl sitting.

'Sat in an oak': Hold left hand horizontal for a branch in front of the 'owl' (ie your right hand).

'The more he heard': hands behind your ears.

'The less he spoke': hands over mouth. (Hold hands a bit away from mouth so you can say the rhyme!)

'Why can't we all': hold hands out, palms up as if asking a question.

'Be like that bird': Hold left hand horizontal for a branch. Hold right hand in the middle of the branch like an owl sitting.

Teaching note:

Do the actions on the first beat of each bar to reinforce the feel of two beats per bar.
