*Formation: The children take a partner and stand in a single circle holding hands.
The children perform the dance suggested by the words.*

Verse 1: Children step to the left.

Verse 2: Children step to the right.

Verse 3: Link right arms with partner and swing (8 beats). Link left arms with partner and swing (8 beats).

Verse 4: Do-si-do around partner passing right shoulders (8 beats) then passing left shoulders (8 beats). Repeat.

Verse 5: Children face the centre and join hands. They take 4 steps in, 4 steps out, repeat.

Verse 6: Allemande left with partner (8 beats) then right with partner (8 beats). (Rather than a true 'allemande' it is simpler to have partners face each other, holding up their left hands and palm-to-palm spin around.)

Verse 7: Join hands with partner in skaters position and circle left. (I.e. partner's join hands out in front, right hands should be joined below, left hands should be joined above.)
