Game:

Formation: Children sit in a circle with their left hands behind their backs. (They will only use their right hands.)
Each child has a single clave or pencil on the floor pointing away from them.

Instructions:

Beats 1 & 2: Tap pencil on the floor.
Beat 3: Place pencil on the floor in front of the person on their right.
Beat 4: Pick up the new stick in front of them.

The teacher leads the song as a 'Call and Response'.

Variation: When the students are confident and every student is synchronised together, the teacher removes one stick from the game each time. The student without the stick at the end of the song is eliminated from the game. The game continues until there is a single winner.
