Formation: Sitting in a circle, each child with legs crossed with a stone, stick or substitute in front of them.

Game:

- Keeping the beat, pass the stone to the person on the left, placing it on the floor in front of him/her.
- Repeat the action on the beat.
- Try to play faster and faster as the speed of the song increases.

VARIATION:

- Use a stone, in each hand. (I.e. two stones per person.)
- Tap the stones, then cross them, placing one in front of the person to the right and one in front of the person to the left.
