Instructions:

Formation: Standing in a circle holding hands and raising them high to form 'gates'.

Game:

VERSE: One child is chosen to be 'it' and weaves in and out through the 'gates'.

CHORUS: (Everyone puts down their hands and continue singing.)

- The child who is 'it' lightly taps the rhythm of the chorus on the shoulders of the student closest to them.
- That student becomes the leader with the child who was previously 'it', joining hands and following in and out the 'gates'.
- The line of students weaving in and out gets longer as more students are added to the front.
- Each student in the 'line' can tap the rhythm of the chorus on the shoulders of the child in front of them.
- Continue until the last student becomes the leader and leads the line around the room while the verse is sung one last time.
